## WORK HISTORY

---

### **Web Developer / Front-End Support Engineer**

National Gallery of Art (NGA) — Abuja

**Jan 2025 – Dec 2025**

- Supported and enhanced web and digital platforms used by the national cultural institution, contributing to public-facing and internal web solutions.
- Assisted in developing and maintaining the NGA Virtual Gallery, ensuring responsive layouts, consistent branding, and smooth user interactions across devices.
- Implemented content updates and UI improvements in collaboration with design and communications teams to maintain accuracy and visual consistency.
- Ensured cross-browser compatibility, accessibility, and performance optimization for all supported web pages.

- Collaborated with team members on web-related tasks, debugging frontend issues and supporting deployment and content workflows.

## **Web Developer / WordPress Website Manager**

**IWeb.ng — Gwagwalada, Abuja**

**Nov 2020 – Dec 2023**

- Built, optimized, and maintained 10+ production websites using WordPress, HTML, CSS, and JavaScript, ensuring 99.9% uptime and reliable performance across devices.
- Implemented front-end optimizations (asset optimization, caching strategies, responsive layouts) that improved page load speed and overall user experience.
- Collaborated with stakeholders to execute SEO-focused content updates, contributing to a 20% increase in organic traffic across managed platforms.
- Customized WordPress themes and integrated plugins to deliver scalable, business-aligned features while maintaining clean and maintainable codebases.
- Worked closely with site administrators and content teams to enforce security best practices, performing regular updates and audits that reduced security risks by ~30%.
- Provided technical support and guidance to 13+ content contributors, resolving frontend and CMS-related issues and improving publishing efficiency.
- Managed hosting environments and performed database optimization (MySQL) to ensure stable and efficient site operations.

## **EDUCATION**

---

Graduated 12/2023 **Bachelor of Computer Science**, University of Abuja – Gwagwalada, Abuja.

## **CERTIFICATION**

---

Completed 12/2024 **Responsive Web Design Developer Certification**, FreeCodeCamp.
